

the LUXElist

YOUR WEEKLY DOSE OF DESIGN INSPIRATION

01

ROOM OF THE WEEK

Gather Round The Table In This Elevated Modern Farmhouse

An undulating Wired Custom Lighting chandelier presides over the dining room, where Xu Zhen artwork hangs atop a fireplace surround of cold-rolled steel and petrified wood.

FROM OUR PARTNER

Layers of Light and Shadow

Subtle gold veining weaves light and shadow across the white canvas, creating understated luxury.

02

HOT OFF THE PRESS

And The Color Of The Year Is...

This year's selection leans a bit bolder than its predecessor, yet remains cozy, as it intentionally straddles the worlds of fashion and interior design.

03

DESIGN IN FOCUS

Exploring Design In Greater New York, Connecticut + the Hamptons

From artful retreats in the city to soulful getaways in the Hamptons to the sophisticated homes of Connecticut, the region's diversity in design is apparent.

04

TAKING SHAPE

7 Irregular-Shaped Rugs To Up Your Home's Whimsy Factor

Irreverently irregular rugs offer an unexpected dose of cool.

[TAKE A LOOK >](#)

FROM OUR PARTNER

Lightning Veins Through the Earth

A flowing composition with rich, earthy layers. Muted brown tones convey calm sophistication.
